**Subject: ITB #1963-B: Patricia Lane Culvert Replacement  
Addendum #1**

Gentlemen/Ladies:

Below, please find responses to questions, clarification, or additional information for the above referenced Invitation to Bid. You will need to consider this information when preparing your bid.

**1. Who is responsible for the testing materials and other construction testing like soil compactions and other related testing's?**

As stated in the bid documents, the County will select and pay for an independent testing laboratory for concrete, pavement, and soils. If the county chooses to include the Alternate Bid Item (Waterline Relocation) in the awarded contract, the Contractor will be responsible for disinfecting and testing the waterline.

**2. Also, who is responsible for relocation of utility poles and gas line and other utility line? Who is going to pay the utility companies for their part of work?**

All present utilities have been notified of the upcoming project. Aside from the waterline, each utility is responsible for the relocation of their respective facilities. However, it is the responsibility of the Contractor to coordinate utility relocation.

Received by (Name): \_\_\_\_\_ Company \_\_\_\_\_

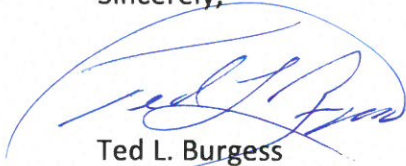

Note: If this addendum is not returned to the Fayette County Purchasing Department or if it is returned not signed, responding individuals, companies or other organizations will still be responsible for the requirements of this addendum and the specifications or changes herein.
