**Subject: #1981-Q SR 279 Realignment - Engineering & Design – Addendum #1**

Gentlemen/Ladies:

Below, please find responses to questions, clarification, or additional information for the above referenced Invitation to Bid. You will need to consider this information when preparing your quote.

- 1. Are the anti-lobbying, conflict of interest, and/or suspension and debarment certification forms required with the phase 1 submittal? These forms are attached to the RFQ but are not listed in the instructions or submittal format.**

The anti-lobbying, conflict of interest, and/or suspension and debarment certification forms are required to be submitted as part of phase 1.

- 2. On page 17, it states that Key Team Lead information is limited to one page maximum for each KTL. We have a staff member serving in two key team roles. Are we allowed to submit a single two-page resume for that staff member to show experience in both areas?**

Limit resumes to one page for each KTL, but a second resume (with different experience highlights) can be submitted for a second KTL.

- 3. The required area class table includes 6.04(a), 6.04(b), 8.01, and 9.03, however the scope does not include tasks related to these work codes. Can you clarify what tasks are expected for these codes so we can ensure we present the best slate of services to the County?**

These construction-related area classes are hereby removed from the Team area class minimum requirements. Please see the revised table.

- 4. Is GDOT Prequalification Category 1.13 Non-Motorized Transportation Planning intended to be included? 3.13 is more often used for development of construction plans for pedestrian and bicycle facilities.**

Area class 1.13 has been removed from the Team area class minimum requirements. Please see the revised table.

Note: If this addendum is not returned to the Fayette County Purchasing Department or if it is returned not signed, responding individuals, companies or other organizations will still be responsible for the requirements of this addendum and the specifications or changes herein.

The opening date for this ITB has not changed. **The bids are due by 3:00pm, Wednesday, October 20, 2021.** Quotes must be received by the Purchasing Department at or before the opening date and time.

At this time, we have passed the deadline for questions. We will not be able to respond to any inquiries about this project.

If you have questions, please contact Sherry White, Contract Administrator at (770) 305-5314 or fax (770) 719-5544 or email at [swhite@fayettecountyga.gov](mailto:swhite@fayettecountyga.gov).

Sincerely,

A handwritten signature in blue ink, appearing to read "Ted L. Burgess", is written over a faint, circular blue stamp or watermark.
