Subject: #2026-B Winter Resurfacing – Addendum #2

Gentlemen/Ladies:

Below, please find responses to questions, clarification, or additional information for the above referenced Invitation to Bid. You will need to consider this information when preparing your quote.

- 1. It looks like you owe us a revised bid form to accommodate the changes described in Addendum 1. Are we to assume that it will be forthcoming in the next Addendum?**
See attached revised bid document
- 2. Your answer to Question 8 regarding the use of a Shuttle Buggy still does not tell us whether or not we are to include it in the cost of our bid or leave it out? Should we add the cost of the Shuttle Buggy to this bid or not?**
The Shuttle Buggy, material transfer vehicle, is not mandatory.
- 3. For the Rumble Strips, do you want Asphalt Rumble Strips or Thermoplastic Rumble Strips?**
Thermoplastic Rumble Strips
- 4. If Grading Per Mile is paid for by the Centerline Mile and it looks like you are only performing Grading Per Mile on Rivers Rd & Inman Rd shouldn't the bid quantity be 5.6 LM?**
5.6 LM is correct. (6 LM was due to the excel rounding up).
