Subject: **Contract #2126-A: Tree Grinding at Ebenezer Church Road**

The Road Department works with EMD to complete Special Purpose Local Option Sales Tax (SPLOST) projects throughout the county. Contract #2126-A was created to grind trees taken down by the county along the upcoming Ebenezer Road and Ebenezer Church Road realignment project. Toward this end, the Purchasing Department issued Request for Quote #2126-A Tree Grinding at Ebenezer Church Road. Notices of the opportunity to quote were emailed to 9 vendors. The RFQ was also advertised on the Georgia Procurement Registry, and the Local Government Access Marketplace websites.

The Purchasing Department received four (4) quotes (Attachment 1). The Road Department recommends award to the vendor submitting the lowest quote, Technology International, Inc. This company has not contracted with the county in the past, so a Contractor Performance Evaluation is not attached. A positive response from two of their references were received.

Specifics of the proposed contract are as follows:
