INTRODUCTION
RFQ #2221-A: Lakeview Lane Trenchless Rehabilitation

Fayette County is soliciting quotes from qualified Contractors experienced with trenchless rehabilitation. The location of this project is near 150 Lakeview Lane in Fayette County, GA.

The existing 48-inch corrugated metal pipe (CMP) beneath Lakeview Lane is reaching the end of its working life. There is an emerging need to address this problem in an economical way that minimizes traffic disruption. The intent of this project is to address the failing pipe and extend its useful life by using trenchless technology.

The work required under this contract includes, but is not limited to, furnishing materials, qualified labor, equipment, traffic control, erosion control, grouting, bypass pumping, concrete headwalls, and site restoration. The existing 48-inch corrugated metal pipe (CMP) shall be rehabilitated in place by Slip Lining with either smooth steel type liners or high-density polyethylene (HDPE) type liners approved by the County.

All work shall be performed in accordance with the project specifications. All work is to be performed within the existing 60-FT County-owned Right-of-Way. This project is fully funded through Fayette County's 2017 Special Purpose Local Options Sales Tax (SPLOST).

GENERAL TERMS AND CONDITIONS
RFQ #2221-A: Lakeview Lane Trenchless Rehabilitation

1. **Definitions:** The term “contractor” as used in these Terms and Conditions shall be used synonymously with the term “successful responder.” The term “County” shall mean Fayette County, Georgia.
2. **Quote is Offer to Contract:** Each quote constitutes an offer to become legally bound to a contract with the County, incorporating the request for quote and the responder’s quote. The binding offer includes compliance with all terms, conditions, special conditions, specifications, and requirements stated in the request for quote, except to the extent that a responder takes written exception to such provisions. All such terms, conditions, special conditions, specifications, and requirements will form the basis of the contract. The responder should take care to answer all questions and provide all requested information, and to note any exceptions in the quote submission. Failure to observe any of the instructions or conditions in this request for quote may result in rejection of the quote.
3. **Binding Offer:** To allow sufficient time for a contract to be awarded, each quote shall constitute a firm offer that is binding for sixty (60) days from the received by date until the date of contract award, unless the responder takes exception to this provision in writing.
4. **References:** Include with your quote a list of three (3) jobs that your company has done that are of the same or similar nature to the work described in this request for quote, on the “Contractor Experience” form provided. Include all information as requested on the form.
5. **Preparation Costs:** The responder shall bear all costs associated with preparing the quote.
6. **More Than One Quote:** Do not submit alternate quotes or options, unless requested or authorized by the County in the request for quote. If a responder submits more than one quote without being requested or authorized to do so, the County may disqualify the quotes from that responder, at the County’s option.
7. **Defects or Irregularities:** The County reserves the right to waive any defect or irregularity in any quote received. In case of a discrepancy between unit prices and extended prices, the unit price will govern unless the facts or other considerations indicate another basis for correction of the discrepancy.
8. **Brand Name:** If items in this request for quote have been identified, described, or referenced by a brand name or trade name description, such identification is intended to be descriptive, but not restrictive and is to indicate the quality and characteristics of products that may be offered. Alternative products may be considered for award if clearly identified in the quote. Items offered must meet required specifications and must be of a quality which will adequately serve the use and purpose for which intended.

9. **Prices Held Firm:** Prices quoted shall be firm for the period of the contract, unless otherwise specified in the quote. All prices for commodities, supplies, equipment, or other products shall be quoted FOB Destination, Fayette County or job site.
10. **Responder Substitutions:** Responders offering substitutions or deviations from specifications stated in the request for quote, shall list such substitutions or deviations on the “*Exceptions to Specifications*” sheet provided, or on a separate sheet to be submitted with the quote. The absence of such list shall indicate that the responder has taken no exception to the specifications. The evaluation of quotes and the determination as to equality and acceptability of products or services offered shall be the responsibility of the County.
11. **Non-Collusion:** By responding to this request for quote, the responder represents that the quote is not made in connection with any competing responder, supplier, or service provider submitting a separate response to this request for quote and is in all respects fair and without collusion or fraud.
12. **Ethics – Disclosure of Relationships:** Before a proposed contract in excess of \$10,000.00 is recommended for award to the Board of Commissioners or the County Administrator, or before the County renews, extends, or otherwise modifies a contract after it has been awarded, the contractor must disclose certain relationships with any County Commissioner or County Official, or their spouse, mother, father, grandparent, brother, sister, son or daughter related by blood, adoption, or marriage (including in-laws). A relationship that must be reported exists if any of these individuals is a director, officer, partner, or employee, or has a substantial financial interest in the business, as described in Fayette County Ordinance Chapter 2, Article IV, Division 3 (Code of Ethics).

If such relationship exists between your company and any individual mentioned above, relevant information must be presented in the form of a written letter to the Director of Purchasing. You must include the letter with any bid, proposal, or price quote you submit to the Purchasing Department.

In the event that a contractor fails to comply with this requirement, the County will take action as appropriate to the situation, which may include actions up to and including rejection of the bid or offer, cancellation of the contract in question, or debarment or suspension from award of a County contract for a period of up to three years.

13. **Evaluation:** Award will be made to the lowest responsive, responsible responder, taking into consideration payment terms, vendor qualifications and experience, quality, references, any exceptions listed, and/or other factors deemed relevant in making the award. The County may make such investigation as it deems necessary to determine the ability of the responder to perform, and the contractor shall furnish to the County all information and data for this purpose as the County may request. The County reserves the right to reject any item, any quote, or all quotes, and to re-solicit for pricing.

14. **Payment Terms and Discounts:** The County's standard payment terms are Net 30. Any deviation from standard payment terms must be specified in the resulting contract, and both parties must agree on such deviation. Cash discounts offered will be a consideration in awarding the quote, but only if they give the County at least 15 days from receipt of invoice to pay. For taking discounts, time will be computed from the date of invoice acceptance by the County, or the date a correct invoice is received, whichever is the later date. Payment is deemed made, for the purpose of earning the discount, on the date of the check.
15. **Trade Secrets – Internal Use:** In submitting a quote, the responder agrees that the County may reveal any trade secret materials contained in the quote to all County staff and officials involved in the selection process, and to any outside consultant or other third parties who may assist in the selection process. The responder agrees to hold harmless the County and each of its officers, employees, and agents from all costs, damages, and expenses incurred in connection with refusing to disclose any material which the responder has designated as a trade secret.
16. **Contract Execution & Notice to Proceed:** After an award is made, and all required documents are received by the County, and the contract is fully executed with signature of both parties, the County will issue a written Notice to Proceed. The County shall not be liable for payment of any work done or any costs incurred by any responder prior to the County issuing the Notice to Proceed.
17. **Unavailability of Funds:** This contract will terminate immediately and absolutely at such time as appropriated and otherwise unobligated funds are no longer available to satisfy the obligations of the County under the contract.
18. **Insurance:** The contractor shall procure and maintain the following insurance, to be in effect throughout the term of the contract, in at least the amounts and limits as follows:
 - a. **General Liability Insurance:** \$1,000,000 combined single limit per occurrence, including bodily and personal injury, destruction of property, and contractual liability.
 - b. **Automobile Liability Insurance:** \$1,000,000 combined single limit each occurrence, including bodily injury and property damage liability.
 - c. **Worker's Compensation & Employer's Liability Insurance:** Workers Compensation as required by Georgia statute.

Before a contract is executed, the Certificates of Insurance for all required coverage shall be submitted. The certificate shall list an additional insured as follows:

Fayette County, Georgia
140 Stonewall Avenue West
Fayetteville, GA 30214

19. **Building Permits:** Work performed for the County requiring building permits by licensed contractors will not have permit fees assessed, although any re-inspection fees for disapproved inspections will be the responsibility of the contractor prior to final inspections and the Certificate of Occupancy or Certificate of Completion being issued.
20. **Unauthorized Performance:** The County will not compensate the contractor for work performed unless the work is authorized under the contract, as initially executed, or as amended.
21. **Assignment of Contract:** Assignment of any contract resulting from this request for quotes will not be authorized, except with express written authorization from the County.
22. **Indemnification:** The contractor shall indemnify and save the County and all its officers, agents, and employees harmless from all suits, actions, or other claims of any character, name and description brought for or on account of any damages, losses, or expenses to the extent caused by or resulting from the negligence, recklessness, or intentionally wrongful conduct of the contractor or other persons employed or utilized by the contractor in the performance of the contract. The contractor shall pay any judgment with cost which may be obtained against the County growing out of such damages, losses, or expenses.
23. **Severability:** The invalidity of one or more of the phrases, sentences, clauses, or sections contained in the contract shall not affect the validity of the remaining portion of the contract. If any provision of the contract is held to be unenforceable, then both parties shall be relieved of all obligations arising under such provision to the extent that the provision is unenforceable. In such case, the contract shall be deemed amended to the extent necessary to make it enforceable while preserving its intent.
24. **Delivery Failures:** If the contractor fails to deliver contracted goods or services within the time specified in the contract or fails to replace rejected items in a timely manner, the County shall have authority to make open-market purchases of comparable goods or services. The County shall have the right to invoice the contractor for any excess expenses incurred or deduct such amount from monies owed the contractor. Such purchases shall be deducted from contracted quantities.

25. **Substitution of Contracted Items:** The contractor shall be obligated to deliver products awarded in this contract in accordance with terms and conditions specified herein. If a contractor is unable to deliver the products under the contract, it shall be the contractor's responsibility to obtain prior approval of the ordering agency to deliver an acceptable substitute at the same price quoted in the contractor's original bid. In the event any contractor consistently needs to substitute or refuses to substitute products, the County reserves the right to terminate the contract or invoke the "Delivery Failures" clause stated herein.
26. **Inspection and Acceptance of Deliveries:** The County reserves the right to inspect all goods and products delivered. The County will decide whether to accept or reject items delivered. The inspection shall be conclusive except with respect to latent defects, fraud, or such gross mistakes as shall amount to fraud. Final inspection resulting in acceptance or rejection of the products will be made as soon as practicable, but failure to inspect shall not be construed as a waiver by the County to claim reimbursement or damages for such products which are later found to be in non-conformance with specifications. Should public necessity demand it, the County reserves the right to use or consume articles delivered which are substandard in quality, subject to an adjustment in price to be determined by the Purchasing Director.
27. **Termination for Cause:** The County may terminate the contract for cause by sending written notice to the contractor of the contractor's default in the performance of any term of this agreement. Termination shall be without prejudice to any of the County's rights or remedies by law.
28. **Termination for Convenience:** The County may terminate the contract for its convenience at any time with 10 days' written notice to the contractor. In the event of termination for convenience, the County will pay the contractor for services performed. The County will compensate partially completed performance based upon a signed statement of completion.
29. **Force Majeure:** Neither party shall be deemed to be in breach of the contract to the extent that performance of its obligations is delayed, restricted, or prevented by reason of any act of God, natural disaster, act of government, or any other act or condition beyond the reasonable control of the party in question.
30. **Governing Law:** This agreement shall be governed in accordance with the laws of the State of Georgia. The parties agree to submit to the jurisdiction in Georgia, and further agree that any cause of action arising under this agreement shall be required to be brought in proper venue in Fayette County, Georgia.
31. **Records Retention:** The Contractor shall retain all records pertaining to the contract for three years after the County makes final payments to the Contractor, and all other pending matters are closed.

32. **Breach of Contract:** In the event that the Contractor or a subcontractor should violate or breach contract terms, upon discovery of such violation or breach the County will notify the Contractor in writing. The Contractor or subcontractor shall be entitled to cure the breach within ten (10) days and provide evidence of such cure. If the Contractor fails to cure the violation or breach within the ten-day time, the County shall be entitled to all available remedies, including termination of the contract, or the requirement that a subcontractor be dismissed from performing work under the contract. The County shall be entitled to any and all damages permissible by law.
33. **Preconstruction Conference:** There shall be a preconstruction conference for this project with, at a minimum, Fayette County, Contractor, selected firm, utilities, testing agency, and Design Engineer.
34. **Testing and Suppliers:** All testing shall meet the requirements outlined in the GDOT Sampling, Testing and Inspection Guide. Contractors shall use suppliers on the appropriate GDOT Qualified Products List.

FAYETTE COUNTY PROJECT SPECIFIC SPECIFICATIONS
RFQ #2221-A: LAKEVIEW LANE TRENCHLESS REHABILITATION

- A. Reference and Incorporation of GDOT Specifications** - Unless noted otherwise in this Request for Quotes (RFQ), the Georgia Department of Transportation's Standard Specifications Construction of Transportation Systems, most recent edition is incorporated by reference into the Project Manual and contract documents. All work shall be performed in accordance with the GDOT specifications, and all pay items shall be measured and evaluated in accordance with the specifications. They shall supersede all other specifications unless more stringent requirements are listed.

It is the responsibility of the Contractor to be familiar with these specifications before submitting a quote and to adhere to them during construction. Fayette County is owner of the project and shall serve as the administrator of the Contract in lieu of "The Department." Copies of the documents can be obtained from the GDOT website.

- B. Schedule** – The project shall commence within ten (10) calendar days of the Contractor receiving the Notice to Proceed (NTP) and shall be substantially complete within 45 calendar days of the Contractor receiving the NTP from Fayette County. The project shall reach final completion within **60 Calendar Days** of the Contractor receiving the NTP from Fayette County. Contract time is measured on a Calendar Day basis and includes County Holidays and weekends.

- C. Construction Requirements** - Provide to the County prior to starting the work a written proposal of how the work will be progressed. The proposal shall include dewatering of and cleaning of the pipe, procedures for maintaining line and grade of the lining pipe, pipe manufacturer's recommendations for the assembly of preapproved joints, or joint fusion methods; bracing methods; grout mix design; and void filling techniques. Such proposals are also required, regardless of the rehabilitation method, for flowable fill, concrete, and void filling methods.

The Culvert shall be cleaned. Materials removed shall be disposed of; placement of surplus materials of spoil is not permitted within the County right of way. Additionally, disposal of turbid water generated via the cleaning process shall be subject to appropriate environmental regulations. Provide appropriate control and discharge practices for all water throughout the cleaning process.

- D. County Holidays** – The Contractor shall not work on a County Holiday unless written approval is provided by Fayette County at least three days prior to the Holiday. The County Holiday Schedule is available on the County's website:
https://fayettecountyga.gov/information/county_holidays.htm
- E. Work Hours** – Unless pre-approved otherwise by Fayette County, all work shall be performed Monday thru Saturday and between the hours of 7:00 AM and 6:00 PM. Work on Sunday's may be approved with prior written approval from the County.
- F. Toilet Facilities** - Provide toilet facilities that meet local sanitary codes. Provide consumable and non-consumable goods (toilet paper, paper towels, hand soap) for the life of the project.
- G. Water System Impacts** – Water supply must be protected and maintained throughout the life of the project.
- H. Contractor Staging** – No staging area is provided by Fayette County for the project beyond the existing Right-of-Way. Contractor staging shall not interfere with traffic on County roads.
- I. Prequalification of Responders** – The Prime Contractor and/or subcontractors to the Prime, shall be prequalified with the Georgia Department of Transportation (GDOT).

The quote package shall include a list of all companies comprising the project team (Prime and Subcontractors) and documentation demonstrating the above items are satisfied. Failure to provide the documentation may result in the quote being disqualified.

- J. Contractor Supervision and Work Coordination** – The Contractor shall supervise and direct the work. He/she shall be solely responsible for the means, methods, techniques, sequences, and procedures of construction, including traffic control. The Contractor shall employ and maintain onsite a qualified supervisor or superintendent who will be designated in writing by the Contractor as the Contractor's site representative. The supervisor shall have full authority to act on behalf of the Contractor and all communications given to the supervisor shall be as binding as if given to the Contractor. The supervisor shall always be present on the site as required to perform adequate supervision and coordination of the work.
- K. Workmanship Guarantee** – The Contractor shall warranty and guarantee all materials supplied, equipment furnished, and work performed to be free from defects (resulting from faulty materials supplied or workmanship) for a period of twelve (12) months from the date of Substantial Completion.

The Owner shall give notice of observed defects with reasonable promptness and the Contractor shall have 45 calendar days to address the issue(s). If the Contractor fails to make such repairs, adjustments, or other work that may be made necessary by such defects, the Owner may do so and charge the Contractor the cost thereby incurred. If different guarantees or warranties are required in the technical specifications for specific items, then the more stringent (i.e., longer) apply.

- L. Special Allowance** – Due to the nature of the project and the potential for unforeseen conditions, it is possible that some additional work or modification to the scope may be required. A **\$3,000 Allowance** is to be included in the Base Quote, to be used to cover Claims (Section 105.13) or Extra Work (Section 109.05) with prior written approval from Fayette County. The procedures for submitting such requests are documented in the referenced Sections. If approved, the amount of the Claim or Extra Work will be deducted from the Allowance. Requests greater than the amount available in the Allowance category will require approval from the Fayette County Administrator. Any allowance remaining unused at the end of the project will be deducted from the Contract amount by Contract Amendment.
- M. Section 102 – Bidding Requirements and Conditions** – This section of the GDOT Specifications shall not apply for this RFQ.
- N. Section 103 – Award and Execution of Contract** – This section of the GDOT Specifications shall not apply for this RFQ.
- O. Section 105.09 Authority and Duties of the Resident Engineer** – The Resident Engineer shall be designated by Fayette County.
- P. Section 105.10 Duties of the Inspector** – Inspectors may be employed by Fayette County or Fayette County's designated Engineer.
- Q. Section 106.11 Field Laboratory** – A field laboratory is not required.

- R. Section 108.08 Failure or Delay in Completing Work on Time** - Time is an essential element of the Contract, and any delay in the prosecution of The Work may inconvenience the public, obstruct traffic, or interfere with business. In addition to the aforementioned inconveniences, any delay in completion of The Work will always increase the cost of engineering. For this reason, it is important that The Work be pressed vigorously to completion. Should the Contractor fail to complete the Work within the time stipulated in the Contract or within such extra time that may be allowed, charges shall be assessed against any money due or that may become due the Contractor in accordance with the following schedule:

Contract Amount		Daily Charges
For More Than	To and Including	Calendar Day or Completion Date
\$---	\$50,000	\$950
\$50,000	\$250,000	\$960
\$250,000	\$500,000	\$1,240
\$500,000	\$2,500,000	\$1,660
\$2,500,000	\$5,000,000	\$2,700
\$5,000,000	\$10,000,000	\$3,400

These fixed liquidated damages are not established as a penalty but are calculated and agreed upon in advance by the County and the Contractor due the uncertainty and impossibility of making a determination as to the actual and consequential damages which are incurred by the County and the general public as a result of the failure on the part of the Contractor to complete The Work on time.

In addition to the above, the Contractor shall meet and satisfy all applicable GDOT specifications as written in Section 108 Prosecution and Progress. In the event of a conflict the more stringent shall apply.

- S. Section 150 Traffic Control** – Full Road Closure is not permitted. The Contractor shall prepare and submit a Traffic Control Plan for review and approval by Fayette County prior to mobilization. The Plan shall include information on lane closures, access to private property, etc. Access to homes shall be maintained at all times. All signs, pavement markings, etc. shall be in accordance with the MUTCD.

Contractor Affidavit under O.C.G.A. § 13-10-91(b)(I)

The undersigned contractor ("Contractor") executes this Affidavit to comply with O.C.G.A § 13-10-91 related any contract to which Contractor is a party that is subject to O.C.G.A. § 13-10-91 and hereby verifies compliance with O.C.G.A. § 13-10-91, attesting as follows:

- a) The Contractor has registered with, is authorized to use and uses the federal work authorization program commonly known as E-Verify, or any subsequent replacement program;
- b) The Contractor will continue to use the federal work authorization program throughout the contract period, including any renewal or extension thereof;
- c) The Contractor will notify the public employer in the event the Contractor ceases to utilize the federal work authorization program during the contract period, including renewals or extensions thereof;
- d) The Contractor understands that ceasing to utilize the federal work authorization program constitutes a material breach of Contract;
- e) The Contractor will contract for the performance of services in satisfaction of such contract only with subcontractors who present an affidavit to the Contractor with the information required by O.C.G.A. § 13-10-91(a), (b), and (c);
- f) The Contractor acknowledges and agrees that this Affidavit shall be incorporated into any contract(s) subject to the provisions of O.C.G.A. § 13-10- 91 for the project listed below to which Contractor is a party after the date hereof without further action or consent by Contractor; and
- g) Contractor acknowledges its responsibility to submit copies of any affidavits, drivers' licenses, and identification cards required pursuant to O.C.G.A. § 13-10-91 to the public employer within five business days of receipt.

RESPONDER QUALIFICATIONS
RFQ #2221-A: Lakeview Lane Trenchless Rehabilitation

In addition to other requirements specified within the quote package, responders shall meet the following minimum qualifications to be considered responsive and responsible. The responder shall provide sufficient documentation to demonstrate these qualifications are satisfied. Minimum submittal requirements are indicated in italics.

1. Identify the Subcontractors. The Prime Contractor and/or Subcontractors shall be GDOT prequalified. *Provide a completed "Georgia Department of Transportation (GDOT) Prequalification Contractors and Subcontractors Table".*
2. Company contact information. *Provide a completed "Company Information Form".*
3. The Contractor and/or the designated Subcontractors shall have, within the past five years, successfully completed at least three stormwater infrastructure projects that include similar roadwork. *Provide a completed "Contractor Experience Form" demonstrating the requested experience.*

**GEORGIA DEPARTMENT OF TRANSPORTATION (GDOT) PREQUALIFICATION
CONTRACTORS AND SUBCONTRACTORS TABLE
RFQ #2221-A: Lakeview Lane Trenchless Rehabilitation**

The Prime Contractor shall be GDOT Prequalified. List below any other subcontractors, by company name and address, which may be used on the project for work in areas beyond those identified above.

1. _____

2. _____

3. _____

4. _____

Prior to issuing the Notice to Proceed, the Prime Contractor shall provide to Fayette County, for review and approval, GDOT Form DOT 485 for all subcontractors anticipated to be used on the project. Include documentation of their status as a prequalified contractor or registered subcontractor for each of the required work area classes not satisfied by the Prime.

If needed, GDOT Form DOT 485 shall also be used to request a change to a subcontractor over the course of the project.

EXCEPTIONS TO SPECIFICATIONS

RFQ #2221-A: Lakeview Lane Trenchless Rehabilitation
