Subject: Contract #2264-A: Short-term Rental Identification Service

The Purchasing Department issued Request for Quotes #2264-A to secure a contractor to provide ownership identification of short-term rental/tourist accommodation properties within unincorporated Fayette County. Notice of the opportunity was emailed to 3 companies. Another 1,926 were contacted through the web-based Georgia Procurement Registry, who had registered under commodity code #91829 (Computer Software Consulting), #91832 (Consulting Services, not otherwise classified) and #91858 (Governmental Consulting). The offer was also advertised through Georgia Local Government Access Marketplace and the County website.

One company submitted a quote (Attachment 1). The Purchasing Department reached out to GovOS with whom the County previously contracted for this work to inquire about why they did not respond to the new Request for Quotes. Their Director of Customer Success advised that their current workload did not allow them to respond.

The Chief Marshal recommends awarding to Deckard Technologies, Inc. A Contractor Performance Evaluation is not available since this is the first time contracting with Deckard Technologies, Inc. Code Enforcement checked references and the responses were favorable.

Specifics of the proposed contract are as follows:
