**Subject: RFQ #2271-A: Annual Hauling Contract  
Addendum #1**

Gentlemen/Ladies:

Below, please find responses to questions, clarification, or additional information for the above referenced RFQ. You will need to consider this information when preparing your quote.

**1. Will operation be Monday - Friday 8am - 12pm?**

Monday thru Friday with start times between 7 to 8:30 depending on the project and our crews will normally work until 3:30 to 5:30 pm. We would let trucks go when we are finishing on the project site about 30 minutes to 1 hour before. 12pm on the rare occasion when weather or other not planned event may cut our activities short.

**2. Do you have the previous bid tabulation?**

Previous contracts such as 2131-B, 2095-B and 2081-B can be found on the county website at <https://fayettecountyga.gov/purchasing/bids-and-proposals>

**3. Who is the active encumberment?**

Faultless Business Center Inc.

**4. Do you have the mileage from each asphalt plant to the work site?**

The jobs sites move throughout the county daily with the maximum distance from the plant to be a little over 20 miles to the far end of the County.

**5. Will the number of truck needs increase to more than 6?**

Only on very rare occasions, unless we can re-establish our in-house paving crew, hopefully by spring next year.
