 Subject: Contract #2509-B Old Ivy Stormwater Replacement

On November 15, 2024, the Purchasing Department issued Invitation to Bid 2509-B Old Ivy Stormwater Replacement to solicit a contractor to replace the storm water drain at 220 Old Ivy. The existing 42-inch corrugated metal pipe system has deteriorated and will be replaced with a single 42-inch reinforced concrete pipe. The solicitation was advertised on the state Georgia Procurement Registry, Fayette News and the county website.

Eleven companies submitted bids (Attachment 1). Environmental Management recommends DAF Concrete Inc. This company has not contracted with the county in the past, so a Contractor Performance Evaluation is not available. A positive response from all their references were received.

Specifics of the proposed contract are as follows:
