**Subject: RFQ #2539-A: Marshal Office Renovation
Addendum #1**

Gentlemen/Ladies:

Below, please find responses to questions, clarification, or additional information for the above referenced **RFQ**. You will need to consider this information when preparing your quote.

1. **Please confirm the scope of the “Data drops” in the second floor room – is the contractor to simply provide conduit stub-ups into the ceiling and a box in the wall for a future contract to pull cable/terminate the terminals?** Yes. Fayette County Information Technology Department will complete the phone and internet installation.
2. **Please clarify the intended scope for the second floor flooring, is the contractor to selectively demo the carpet where the new wall is to be placed and leave the remaining carpet tiles as is?** Do not remove any carpet in the conference room on the second floor. The contractor shall place the track on the carpet.
3. **Please clarify the intent of the second floor trim/molding for the new wall – is the contractor to match existing? Or can a spec/profile be provided?** The contractor is to match the existing trim and molding.
4. **Please confirm that the new 2x2 Shaw “to meld Unify” carpet tile scope stops at the thresholds of the doors entering the room of the third floor?** Yes. the carpet tile stops at the thresholds of the room.
5. **Please clarify the intent of the third floor trim/molding for the new wall – is the contractor to match existing? Or can a spec/profile be provided?** The contractor is to match the existing trim and molding.
6. **Please clarify if the third floor wall also requires rockwool sound damper.** Both the second and third floor requires rockwool sound dampers.
7. **Are there any work hours/day restrictions? Will the project require that the work areas are safe and accessible to the public each day after work is completed?** The work area should always be safe, but the public will not be coming on those floors.
