Subject: IFB #1236-B: Resurface Three Roads – Addendum #5

Gentlemen/Ladies:

Included herein is additional information and clarification for the above referenced invitation for bids. Please consider all of this information when preparing your bid.

- 1) **a) In Addendum #1 the answer to question #10 states that the contractor will mill into the adjacent paved side roads less than 20' to get a smooth transition onto the new pavement;**
b) In Addendum #3 the quantity for Variable Depth Milling was increased to 8,900 square yards with the intent of providing the best transition to each side road within the project limits;
c) In Addendum #4 the milling cover up time for all remaining vertical joint tie-ins was increased to 21 days. Based on the information in Addendums #1 and #3 and to clarify the contractors question in Addendum #4 - The contractor be will be required to mill into all paved side roads on this project? Correct? Yes; the County is expecting all existing paved side roads to have a vertical mill joint tie-in. Existing asphalt dirt road aprons do not require this tie-in and can be feathered in.

- 2) **Will the contractor be required to install post mounted Advanced Warning Signs on this project or can the Advanced Warning Signs be installed on tripods? The County will accept Tripods as long as the signs are maintained in proper working order and all signs meet MUTCD guidelines.**

Received by _____ Company _____

Note: If this addendum is not returned to the Fayette County Purchasing Department or if it is returned not signed, all responders shall still be responsible for the requirements of this addendum and the specifications or changes herein.

The opening date for this invitation for bids has not changed. **The opening date is: 3:00 p.m., Tuesday, January 17, 2017.** Bids must be received in the Purchasing Department at the address above in Suite 204 on or before the opening date and time.

Thank you for your attention to this matter.

Sincerely,

Ted L. Burgess
Director of Purchasing
